It is easy to set a goal — we do it all the time. Staying motivated to achieve those goals, well that's a different story. Take New Year's resolutions, for instance — while 93% of people ...I LOVE knowing this about you, Paige! Wow! I so admire people who step back away from the power, prestige and pay and look for something more rewarding and meaningful to do with their lives. The ability to get motivated to study can have a very positive effect on a student's study levels and grades. A motivated student will find it easier to go the extra mile and do all the necessary tasks that need to be done to assure success. Our mission at BusinessDictionary.com is to help people succeed in their careers. As founder and CEO I'm frequently asked for career advice, so I thought it was worth compiling some wisdom I've gained over the years, things I wish I had known when I first started the company, to help you avoid mistakes I made and achieve more success in your own career.
