Introduction to CAFS Child & Family Services Ballarat (CAFS) is a community services organisation that provides a range of programs and services to children, young people and families who are vulnerable or in need of support. The Department of Psychiatry at SBH offers a wide range of clinical services to children, adults and geriatric patients. Our priorities include providing the highest quality of care for individuals and families who seek clinical care, and promoting the career development of faculty, trainees, and staff to further advance their level of expertise. Abstract. The digital persona is a model of the individual established through the collection, storage and analysis of data about that person. It is a very useful and even necessary concept for developing an understanding of the behaviour of the new, networked world.
