

Download Logan Lathe Model 815 Parts Manual

Jim, Logans are nice lathes. Equivalent to Southbend in my opinion with the added plus of real bearings on the spindle. Mine is technically a Mode 815 which was a bench model, but somewhere along the line the legs and chip pan were added so it is configured as a Model 820. Find great deals on eBay for logan lathe model 815. Shop with confidence. Skip to main content. eBay Logo: ... Save logan lathe model 815 to get e-mail alerts and updates on your eBay Feed. + ...
