

Download Making The Transition To Home Health Nursing A Practical Guide

More Information For more information about nursing homes or for answers to particular questions, you can contact the Illinois Department of Public Health's Office of Health Care Regulation at 217-782-2913 or one of the Department's regional offices on the following pages. Risk and vulnerability encompass many dimensions of the transition from adolescence to adulthood. Transition from pediatric, parent-supervised health care to more independent, patient-centered adult health care is no exception. The tenets and algorithm of the original 2011 clinical report, "Supporting the Health Care Transition from Adolescence to Adulthood in the Medical Home," are unchanged. Practical Nursing (LPN) The Licensed Practical Nurse (LPN) is an integral part of the health care team. The Technical Certificate in Practical Nursing can be earned on the way to acquiring the Associate of Applied Science degree. About the Program Practical Nursing is a career-focused program where the student will gain the knowledge, skills and experience required to become a member of the nursing profession and health-care team.
