

Download Progress Note Vascular Surgery

The Society for Vascular Surgery Lower Extremity Threatened Limb Classification System: Risk stratification based on Wound, Ischemia, and foot Infection (WIFI)?AUBURN, AL – “This is absolute horsesh*t,” said family medicine attending Renata Bellows, as she read over her intern’s progress note.. “This is terrible. So terrible.” She shook her head over and over again as she penned her addendum: “I saw and examined the patient with the intern but I absolutely DO NOT agree with the plan as documented above.”Welcome to the official website of Ingalls Health System - a hospital and health system serving Chicago’s south suburbs.Note: Javascript is disabled or is not supported by your browser.
