Gould and Martindale. These scholars collaborated to author The Art and Science of Child Custody Evaluations, a recent text that addresses a knotty problem. Jonathan W. Gould and David A. Martindale. In addition, child custody evaluations are anchored in a theoretical framework, that of forensic methodology, not clinical opinion....It mentions 'dos' and 'don'ts' of working with the legal system and has excellent chapters on parental alienation and how to assess allegations of child abuse...However, after reading THE ART AND SCIENCE OF CHILD CUSTODY EVALUATIONS, at least a rejected parent will no longer be completely in the dark about the nature of their contested child custody case. In closing, I want to emphasize that forensic psychology is a brand new professional field - something like two decades old.
